Product Information

Product Name: Grill Plate Bushbox Ultralight

Model Number: BCE-029 / EAN:4260365160290

Description:

Our Bushbox Ultralight comes with a Base Plate as standard. This is identical with this Grill Plate. If you have misplaced your Base Plate or need an additional Grill Plate, you can order one here.

The „Grill Plate Bushbox Ultralight“ in detail

- Insert the Grill Plate on top of the Bushbox Ultralight instead of the Trivet.
- The Grill Plate converts your Bushbox Ultralight into a grill (in hobo mode). We recommend using our Ash Plate to protect the ground in this configuration.
- Alternatively, the Grill Plate (used instead of the Trivet) ensures safe standing for cups and cooking vessels.
- The holes in the Grill Plate ensure a sufficient air supply between flame and cookware.
