Description:

All our stoves come with Trivets as standard. In case you need additional Trivets or have lost yours, you can order them here.

The “Trivets (Set) Modular Bushbox XXL Campfire” in detail

- The stainless steel Trivets can be inserted in various notches on top of your Modular Bushbox XXL Campfire as required to ensure safe standing for cups and cooking vessels of different sizes.
- You may also use the Trivets to move the hot Bushbox. Simply hook the Trivets into the slots provided on the sides of your Bushbox XXL Campfire.
- Use the Trivets to remove the Grill Plate from the hot stove by inserting them from above into the slots in the Grill Plate.
- Store the Trivets together with your Bushbox XXL Campfire in a separate compartment of the matching Outdoor Bag.
