Description

While its appearance may seem modest, the BE Survival Card is a highly reliable tool. Having been utilized in various expeditions and adopted by multiple military units, it stands as a testament to its effectiveness. In an emergency, this compact survival card provides essential resources to guarantee survival and secure sustenance.

The „BE Survival Card“ in detail

- Equipped with essential tools for emergencies, the BE Survival Card enables food procurement, tool crafting, and shelter construction.
- Caution: **Only use in emergency scenarios or with appropriate licensing!**
- **We do not ship this item to the US & Canada**, as we manufacture the BE Survival Card under an agreement with Phil Bellefeuille, US Patent 8162784 holder.

- The card is small and compact – ideal for keeping in your wallet or EDC kit.
- Saw and blade are on the outside of the tool, the arrowheads can be broken out of the card in an emergency.

The BE Survival Card features the following tools:

- Saw
- Very sharp, strong blade
- 3 stable arrowheads with grooves and holes for non-slip attachment to a spear or arrow
- Device for cutting yarn, grasses or natural fibres
- Round scraper for trimming and smoothing arrows and spears
- Hole for attachment to a carabiner or cord
