Product information

Product Name: B-Stock Leather Pouch Bushbox XL

Model Number: BWBCE-048 / EAN:4260365160481

Description:

The perfect match for your Bushbox XL and your outdoor companion on every adventure. The handmade, high-quality leather pouch offers enough space to safely stow your stove and matching accessories such as Trivets, Universal Grate, and Multifunctional Case.

The pouch is made of premium, vegetable-tanned cowhide. It is equipped with sturdy seams for maximum durability and can be opened and securely closed with a snap button with just one hand. Attach to your belt or backpack using the loops on the back (6 cm). An additional D-ring allows for attachment to a carabiner.

You can find more information about this accessory here.

Note: This is a B-Stock product with optical imperfections that is therefore available at a reduced price. Even with our high production standards and the greatest possible care, it does happen from time to time that parts come out of production with 'blemishes' such as scratches, irregularities or other optical flaws. However, this does not affect their functionality. In addition, we guarantee that these B-stock products were made of the same high-quality materials and manufactured under the same conditions.

THE PRODUCT ILLUSTRATIONS ARE EXEMPLARY PHOTOS. THE ACTUAL VISUAL DEFECTS MAY DIFFER FROM THE ILLUSTRATION.

Description

The handmade, high-quality leather pouch offers enough space to safely stow your stove and matching accessories such as Trivets, Universal Grate, and Multifunctional Case. The pouch is made of premium, vegetable-tanned cowhide. It is equipped with sturdy seams for maximum durability and can be opened and securely closed with a snap button with just one hand. Attach to your belt or backpack using the loop on the back.

Safety Instructions:

- Use the case only for its intended purpose.
- Keep the case away from open flames and extreme heat sources.
- Regularly check the seams and closures for wear and damage.
- Store the case in a dry place to prevent mold growth.

Emergency Measures:

This product does not pose any hazards that require emergency measures.
