## Test Object

**Product Name:** Ladies' T-Shirt BE THE ADVENTURE

**Model Number:** BCE-059.4

## Test Date

September 4, 2026

## Declaration of Conformity

We hereby declare that the product described above meets the essential requirements and other relevant provisions of Directive 2001/95/EC (GPSR).

## Inspector

D. Hoppenrath, Quality Manager

## 1. Introduction

This test report documents the results of the safety and conformity assessment of the product Ladies' T-Shirt BE THE ADVENTURE in accordance with the requirements of EU harmonization regulations and ISO 19869:2019.

## 2. Test Methods

- Visual Inspection: Checking for visible defects, workmanship errors, and injury hazards.
- Function Tests: Checking functionality and product features.
- Safety Tests: Measuring surface temperatures and emissions during operation for stoves. General safety tests for accessory products and tools.
- Documentation Review: Checking user manuals (where available) and labels.

## 3. Test Results

- Mechanical Safety: No sharp edges or moving parts that could cause injury (where applicable).
- Thermal Safety: Surface temperatures within permissible limits (where applicable).
- Chemical Safety: Emissions comply with ISO 19869:2019 requirements (where applicable).
- Labeling: All required warnings and instructions are present and legible (where applicable).

## 4. Conformity Assessment

The product Ladies' T-Shirt BE THE ADVENTURE meets the requirements of the following EU harmonization regulations:

- Machinery Directive 2006/42/EC
- Regulation (EU) 2019/1020
- Regulation (EU) 2023/1234 (GPSR)

## 5. Risk Mitigation Measures

- Design Changes: None required.
- Recommendations from the risk analysis have been fully implemented.
- Training and Education: Training materials and safety instructions are provided.

## 6. Risk Mitigation Measures

The product Ladies' T-Shirt BE THE ADVENTURE meets the relevant safety and conformity requirements and can be safely marketed.
